### Institution - Industry Cell

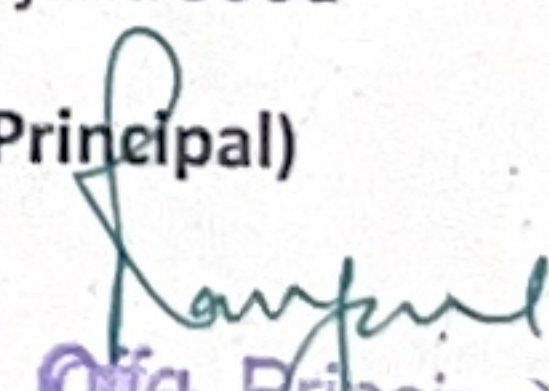

The Institution - industry cell is established with the following members. The objectives and functions of the cell are mentioned below:

1. To equip the students with practical skills for current technologies through training and exposure.
2. To bridge the gap between Academics and Industry,
3. To organize the industrial visits for students to learn the latest industrial practices.
4. To make the students employable as per the needs and demands of the industry.
5. To sign the Memorandum of Association (MOU) for facilitating Student and faculty exchange for Academic learning.
6. To arrange internships for students and guest lectures from industry experts.
