7.1.5: Green campus initiatives include:

- Many students are using bicycles to reach the college campus. Few students and staff members are also using public transport facility like E- Rickshaw, bus facility as well as some faculty members share their cars for to and fro from college to home.
- Efforts are made to reduce plastic pollution on college campus with a special focus on the reduction and ultimately the elimination of plastic bottles, plastic straws and utensils and plastic food packaging. Rallies are also conducted to create the awareness among the students and public regarding plastic free environment.
- In order to reduce paper work, documents and other papers are converted in digital form such process is known as digitization.
- The campus is green & eco-friendly. It is like an oasis in a desert. A good variety of vegetation –trees, plants, bushes etc. beautify the campus. Weeding of plants & cleaning of lawns and flowers beds is a regular feature.
- Oath ceremony was conducted in the presence of college Principal and members of Municipal Corporation for the ban of polythene and other plastic material.

Principal,
S.D.P. College for Women,
